

BUSINESS

AFTER HOURS
MEMBERSHIP MIXER

Brought to you by the
GREEN LAKE AREA CHAMBER OF COMMERCE

Sign up today!
Hurry, space is limited!

The Business After Hours Mixer is an excellent way for you to connect with the Green Lake Area Chamber of Commerce Business Community.

The event offers a unique opportunity for members, and guests to meet in a relaxed social atmosphere, and develop new friends, potential customers, and learn about other businesses in our community and beyond.

What Your Business Needs to do:

- Host the event onsite at your place of business (or your choice of an event venue; boat, restaurant, golf course, etc., be creative!)
- Host the event on a weekday, we recommend Wednesdays from 5p-7p
- Promote the event on social media or any other marketing platform that you use
- Offer light appetizers/snacks and a beverage (required - you can acquire partners/sponsors to help you out with this expense)
- Offer a small token giveaway or door prize
- Provide a tour of your business or offer an experience

What the Chamber will do:

- Create and send out invites electronically to all current Chamber Members (516 emails)
- Provide online RSVP registration
- Promote the event via our Chamber Member e-Newsletter
- Check-in guests and provide name badges the day of the event
- Provide a sound system for announcements and music (if requested)

This is your time to shine and highlight any new accomplishments, awards, or milestones that you may want to share with the business community! Only one Mixer per month will be permitted and accepted on a first come first serve basis as long as it meets our criteria. There is no cost to participate, it can be celebrated big or small, this is your party!
